

Calendar House Membership Association.

The Calendar House Membership Association (CHMA) typically holds seven meetings each year with all members in order to discuss Calendar House activities. The meetings usually include some form of entertainment and some refreshments.

A small team is needed to organize the provision, preparation and presentation of the refreshments, a task that typically requires cutting cakes and preparing coffee. The CHMA pays for the cost of any necessary purchases.

If you would like to help with the refreshment presentation, please talk to one of the CHMA team listed below or E-Mail CHMA-Team@CalendarHouse.org with your name, telephone number and E-Mail address.

CHMA Team.
